

The Forestry Board is partnering with Goodmark Nurseries, Ringer’s Landscaping and the Trout Valley Restoration Society to once again give residents access to high quality trees at very attractive wholesale pricing. Not only will you get a great tree, but also the option to plant it yourself or have it professionally installed. A portion of your purchase will be donated to the TV Restoration Society.

We plan to have a semi load of trees delivered and installed in late May. You will be contacted to coordinate scheduling and placement on your property. **Hurry this sale ends May 15, 2021.**

**Procedure for selecting a tree and ordering it.**

1. Go to the Goodmark Nurseries web site at <https://www.goodmarknurseries.com/> . Click on the **Search our inventory** button at the top pf the page. Click on **All Above Ground Availability** . A spreadsheet will download. Find the tree you would like to purchase up to 2.5” in diameter.
